THE CRANLEIGH CHRONICLE

Nurturing Belief and Ensuring the Highest Standards of Learning for All

Friday 3rd May 2024

HEADTEACHER'S MESSAGES

This week, we have made the most of the (intermittent!) sunny weather and spent lots of time on the field. Our children are all continuing to enjoy skipping with their new skipping ropes, and our PhysiFUN activities are motivating everyone to **stay active**.

We firmly believe in experiential learning here at Cranleigh, and, as such, have some exciting **educational visits** scheduled this term. Year 2 had an incredible day at The Weald and Downland Living Museum on Tuesday, and Year 4 are very much looking forward to attending Butser Ancient Farm next week. We also have trips to Drusillas Park planned for Year 1 and the University of Surrey, Guildford, for Year 5.

I have been in contact with local PC Laura Snedden again recently following my community meeting in February. Together, we are going to be arranging some exciting on-site activities for all our children to take part in, guided by Cranleigh **Police's** Youth Engagement Team. More information to follow soon!

Thank you to everyone who was able to complete the school's latest parent survey. Feedback is so crucial to supporting the school to move forward, and I value each and every response. Today, we have emailed a **wraparound care survey** to you all. The link to this is also given below. Please could all parents complete this by 4pm Wednesday. Your feedback will enable the school to plan for your needs for next academic year.

I'd like to wish you all a very happy bank holiday weekend. See you Tuesday!

Mrs Kate Pelazza; Headteacher

Wraparound Care

We are reviewing our wraparound care provision for **September 2024** and would like to understand our parents' needs.

Please could we ask ALL parents to complete this survey by **4pm next Wednesday**.

Your feedback will ensure we provide the most appropriate care for your children.

Year 5 Authors

Crazy Creatures Young Writers Competition

We are so proud of our Year 5 children! Last term, they were challenged to write a story in just **100 words** including a 'crazy creature'.

Some of our Year 5 children had their stories published.

We are so proud of them and all children who submitted their stories.

Well done, Year 5!

Crazy Creatures - Wonderful Words

Artistika The World's Most Colourful Blob Ever

A gorgeous girl was imagining what all of her favourite colours would look like as a blob. She was in the middle of her English lesson. She had finished her work so started daydreaming instead of reading her book. Her blob was very colourful and its mouth was full of chocolate. The mysterious creature was called Artistika because it was made of art and the art is fantastic. Combined together it's Artistika. She is very kind, artsy and amazing. Artistika can make you feel better in seconds because of her magic trick using chocolate. "Amir" shouted her teacher, "wake up."

Weald and Downland Living Museum

On Tuesday, our Year 2 children visited The Weald and Downland Living Museum to support their understanding of their Great Fire of London project.

Everyone had a wonderful time lighting fires in the bakehouse, learning to put out fires, baking - and eating - traditional bread, as well as learning about the water wheel that powers the mill.

A huge thank you to all Museum staff for having us!

YUM!

How about making these 17th century biscuits inspired by food eaten during the time the Great Fire of London took place?

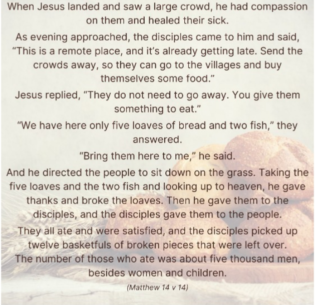
Our Half-Termly Value: Compassion

We all need compassion.



When Jesus landed and saw a large crowd, he had compassion on them and healed their sick.

As evening approached, the disciples came to him and said, "This is a remote place, and it's already getting late. Send the crowds away, so they can go to the villages and buy themselves some food."

Jesus replied, "They do not need to go away. You give them something to eat."

"We have here only five loaves of bread and two fish," they answered.

"Bring them here to me," he said.

And he directed the people to sit down on the grass. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke the loaves. Then he gave them to the disciples, and the disciples gave them to the people.

They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over. The number of those who ate was about five thousand men, besides women and children.

(Matthew 14 v 14)

The story above is both an act of compassion and a demonstration of the presence of God's kingdom. We should trust that God wants to meet the needs of His children.

Life can be challenging, and we all have a responsibility to help one another.

Watch the video of England footballer, Marcus Rashford, talking about growing up in poverty.

There is support on hand should you need it.

Cranleigh's food bank can donate food to those who need it the most.

Schools have access to Pupil Premium Funding to support those children who meet certain criteria. If you think you may be eligible for this funding, please click HERE.

And should you need any support or advice, please do not hesitate to reach out to a member of staff.

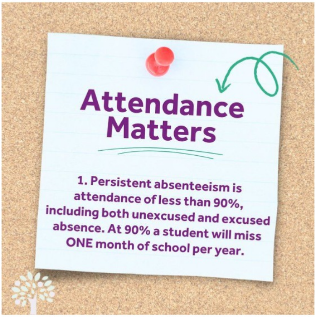
Well done to Reception and Year 3 for having the joint highest attendance this week! We're so proud of you.

Well done to Year 3 for also having the highest attendance to date this academic year. Keep up the great effort!

And please remember, every day really does count...



Attendance Matters

1. Persistent absenteeism is attendance of less than 90%, including both unexcused and excused absence. At 90% a student will miss ONE month of school per year.

So please ensure your child attends school regularly and on time.

Our daily timetable can be found HERE.

The attendance page on our website can be found HERE. Here you will find Surrey's Code of Conduct relating to the issuing of fines, as well as the Department for Education's Attendance Guide for Parents.

Please remember, the issuing of a penalty notice for unauthorised leave of absence may be considered appropriate for unauthorised leave of absence in term time (5 days/10 sessions or more within a three-month period – this does not need to be consecutive) without the authorisation of the school, as well as unauthorised absences or late arrival after the close of registration, on 7 occasions in any six-week period (not including school closures).

Please contact attendance lead, and Headteacher, Mrs Pelazza on 01483 273286 if you need help with your child's attendance or punctuality.

Applications to Request Leave during Term Time

A reminder that we have updated our procedures to request leave.

We are no longer accepting the paper application forms; instead, please click HERE to access the attendance section of our website. There, you will find the link to an online Google Form which will need to be completed should you wish to request leave during term time. This Form also outlines the Department for Education's regulations and the school's expectations.

If you would like any help with the new application for leave procedure, please make an appointment to see Attendance Lead, and Headteacher, Mrs Kate Pelazza, on 01483 273286, or pop into the school office to speak with Mrs Jenking, admin attendance lead.

What Parents & Carers Need to Know about

WHATSAPP

With more than two billion active users exchanging texts, photos, videos and documents, as well as making voice and video calls, WhatsApp is the world's most popular messaging service. Its end-to-end encryption only allows messages to be viewed by the sender and any recipients: not even WhatsApp itself can read them. This privacy issue has been in the spotlight recently, as the UK's Online Safety Bill proposes to end such encryption on private messaging. WhatsApp is unwilling to do so and has reportedly considered withdrawing its service in the UK should this legislation go ahead.

WHAT ARE THE RISKS?

EVOLVING SCAMS

WhatsApp's popularity makes it a lucrative hunting ground for scammers. Recent examples include posing as the target's child, requesting a money transfer because of a spurious 'emergency'. Plus a scam where fraudsters trigger a verification message by attempting to log in to your account, then (posing as WhatsApp) call or text to ask you to repeat the code back to them, giving them access.

CONTACT FROM STRANGERS

To start a chat, someone only needs the mobile number of the WhatsApp user that they want to message. If your child has ever given their number out to someone they don't know, that person could then contact them via WhatsApp. It's also possible that your child might be added to a group chat (by one of their friends, for example) containing other people that they don't know.

FAKE NEWS

WhatsApp's connectivity and ease of use allows news to be shared rapidly – whether it's true or not. To combat the spread of misinformation, messages forwarded more than five times on the app now display a "Forwarded many times" label and a double arrow icon. This makes users aware that the message they've just received is far from an original ... and might not be entirely factual, either.

'VIEW ONCE' CONTENT

The facility to send images or messages that can only be viewed once has led to some WhatsApp users sharing inappropriate images or abusive texts, knowing that the recipient can't re-open them later to use as evidence of misconduct. People used to be able to screenshot this 'disappearing' content – but a recently added WhatsApp feature now blocks this, citing increased privacy.

CHAT LOCK

Another new option allows users to store certain messages or chats in a separate 'locked chats' folder, saved behind a passcode, fingerprint or face ID authentication. The risk here is that this function creates the potential for young people to hide conversions and content that they suspect their parents wouldn't approve of (such as age-inappropriate material).

VISIBLE LOCATION

WhatsApp's 'live location' feature lets users share their current whereabouts, which can be helpful for friends meeting up or parents checking that their child's safely on the way home, for example. However, anyone in your child's contacts list or in a mutual group chat can also track their location – potentially letting strangers identify a child's home address or journeys that they make regularly.

Advice for Parents & Carers

EMPHASISE CAUTION

Encourage your child to treat unexpected messages with caution: get them to consider, for example, whether the message sounds like something a friend or relative would really send them. Make sure they know *never* to share personal details over WhatsApp, and to be wary of clicking on any links in messages. Setting up two-step verification adds a further layer of protection to their WhatsApp account.

THINKING BEFORE SHARING

Help your child to understand why it's important to stop and think before posting or forwarding something on WhatsApp. It's easy – and all too common – for content to then be shared more widely (even publicly on social media). Encourage your child to consider how an ill-judged message might damage their reputation or upset a friend who sent something to them in confidence.

ADJUST THE SETTINGS

It's wise to change your child's WhatsApp settings (go to 'Privacy', then 'Groups') to specify which of their contacts can add them to group chats without needing approval: you can give permission to 'My Contacts' or 'My Contacts Except ...'. Additionally, if your child needs to use 'live location', emphasise that they should enable this function for only as long as they need – and then turn it off.

CHAT ABOUT PRIVACY

Some parents like to check in with their child about how they're using WhatsApp, explaining that it will help to keep them safe. If you spot a 'Locked Chats' folder, you might want to talk about the sort of chats that are in there, who they're with and why your child wants to keep them hidden. Also, if your child has sent any 'view once' content, you could discuss their reasons for using this feature.
