THE CRANLEIGH CHRONICLE

Nurturing Belief and Ensuring the Highest Standards of Learning for All

Friday 17th May 2024

The Circus has come to Cranleigh Primary!

HEADTEACHER'S MESSAGES

This week, our **Year 6** pupils have sat their **SATs** papers. We are so proud of their efforts. We arranged a very special circus treat for them today (and all children when they arrived this morning!). See below for all the details!

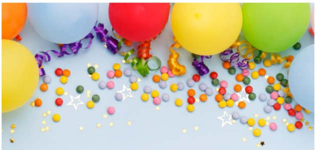
Our **Year 5** pupils visited the **University of Surrey** this week to take part in their annual outreach project. They all enjoyed the experience thoroughly; from walking around the campus, to talking with lecturers and under-graduates, to wearing actual lab coats. I'm certain we have some future University of Surrey graduates in our midst!

We are in the process of planning **transition events** for all our children, including our 24/25 Reception cohort; so, please do keep up-to-date with the school calendar to ensure you make a note of all relevant calendar dates.

Thank you to all parents who continue to support us in ensuring our **expectations** are high and at least in line with other schools. This includes the clarification around what drinks can be brought to school. A reminder that children do not need squash and should only be bringing in water. This is the healthiest option and will hopefully set them up for good habits as they grow older. I have also clarified some expectations regarding **jewellery** further down. If you have any questions, please ask your child's class teacher.

Wishing you all a wonderful weekend.

Mrs Kate Pelazza; Headteacher



IT'S CELEBRATION TIME!

WELL DONE, YEAR 6!

Our Year 6 pupils have sat their SATs this week. They have all tried so incredibly hard; not just this week, but throughout their entire time at Cranleigh. To show our children how proud we are of them we arranged for Juggling John to entertain them this morning. Everyone had the BEST time!

LOVE OUR
SCHOOL EVENT
THANK
YOU!

A HUGE thank you to our PTA, The Friends, for all their hard work on Saturday making our grounds look spectacular.

They planted many pots and two wildflower beds.

A special thank you also to **Bushy Business** and **Notcutts** for donating their time, knowledge and materials/plants.

Thank you

Thank you to our PTA...
...THE FRIENDS

Thank you to **The Friends** for organising a fabulous pre-loved uniform and doughnut sale today.

Did you know?

National Doughnut Week runs from 18th to 26th May 2024. They are raising money for The Children's Trust. Perhaps you could arrange your own doughnut or bake sale to help this very worthwhile charity.

SCHOOL UNIFORM UPDATE

Thank you for the support you have shown in ensuring your children are dressed appropriately, and as per policy, for school.

We would like to remind all parents that the following items are **NOT** permitted:

- Bracelets
- Rings
- Necklaces (unless a religious artefact)
- Dangly earrings (only 1 set of studs allowed)
- Smartwatches
- Fake nails

We have seen an increase in jewellery which is not appropriate for school; for example, Disney-themed bracelets and fake nails. Not only can such items be distracting for children during learning time, but they can pose a health and safety risk, particularly at break/lunch times.

If a member of staff finds a child wearing jewellery which is not religious in nature, they will be asking the child to remove it and will keep it safe until home time when it will be handed to the parent/carer collecting.

We would like to thank you in advance for your support.

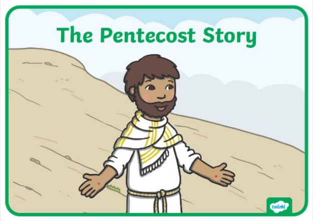
THE CHURCH
OF ENGLAND

The Church of England's Daily Prayer.

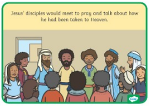
Pentecost

The Day of Pentecost marks fifty days since Easter Day and brings the Easter season to an end. It is a major feast of the Church's year when Christians recall how God's Holy Spirit was given to the disciples after Jesus' ascension, empowering them to begin the work of making disciples of all nations.

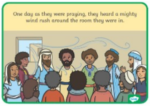
With its focus on God's Spirit being poured out on believers, Pentecost is one of the most popular days for baptisms and confirmations in the Church's year. Find out more about getting baptised as an adult or young person HERE.



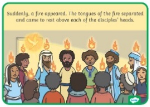
The Pentecost Story



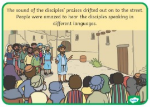
Jesus' disciples would meet to pray and talk about how he had been taken to Heaven.



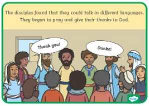
One day as they were praying, they heard a mighty wind rush around the room they were in.



Suddenly, a fire appeared. The tongues of the fire separated and came to rest above each of the disciples' heads.

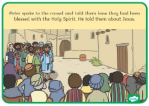


The sound of the disciples' praises drifted out on to the street. People were amazed to hear the disciples speaking in different languages.

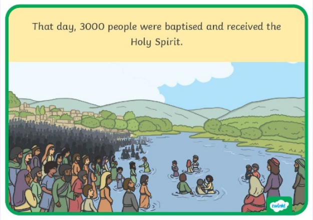


The disciples found that they could talk in different languages. They began to pray and give their thanks to God.

Thank you!
Danke!



Peter spoke to the crowd and told them how they had been blessed with the Holy Spirit. He told them about Jesus.



That day, 3000 people were baptised and received the Holy Spirit.

Let's Celebrate!

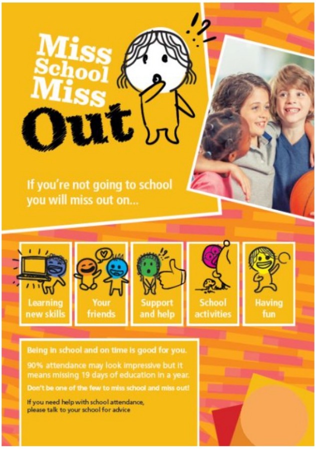
Well done to Year 6 and for having the highest attendance this week! We're so proud of you.

Well done to Year 3 for having the highest attendance to date this academic year. Keep up the great effort!

And please remember, every day really does count...



If you're not going to school you will miss out on...

Being in school and on time is good for you.

90% attendance may look impressive but it means missing 19 days of education in a year.

Don't be one of the few to miss school and miss out!

If you need help with school attendance,
please talk to your school for advice

So please ensure your child attends school regularly and on time.

Our daily timetable can be found HERE.

The attendance page on our website can be found HERE. Here you will find Surrey's Code of Conduct relating to the issuing of fines, as well as the Department for Education's Attendance Guide for Parents.

Please remember, the issuing of a penalty notice for unauthorised leave of absence may be considered appropriate for unauthorised leave of absence in term time (5 days/10 sessions or more within a three-month period – this does not need to be consecutive) without the authorisation of the school, as well as unauthorised absences or late arrival after the close of registration, on 7 occasions in any six-week period (not including school closures).

Please contact attendance lead, and Headteacher, Mrs Pelazza on 01483 273286 if you need help with your child's attendance or punctuality.

Application for Leave of Absence during Term Time

Applications to Request Leave during Term Time

A reminder that we have updated our procedures to request leave.

We are no longer accepting the paper application forms; instead, please click HERE to access the attendance section of our website. There, you will find the link to an online Google Form which will need to be completed should you wish to request leave during term time. This Form also outlines the Department for Education's regulations and the school's expectations.

If you would like any help with the new application for leave procedure, please make an appointment to see Attendance Lead, and Headteacher, Mrs Kate Pelazza, on 01483 273286, or pop into the school office to speak with Mrs Jenking, admin attendance lead.

UNIVERSITY OF
SURREY
Year 5

Thank you to all **Year 5** parents/carers who were able to join us on Wednesday to celebrate the children's success with the **University of Surrey**'s '*How Clean is your Classroom?*' project.

The University were so impressed with our children! They were beautifully behaved and asked so many interesting questions; for example, we all found out that the University's most expensive microscope is worth at least £1 million and occupies a whole room!

Thank you to all staff at the University for supporting us.

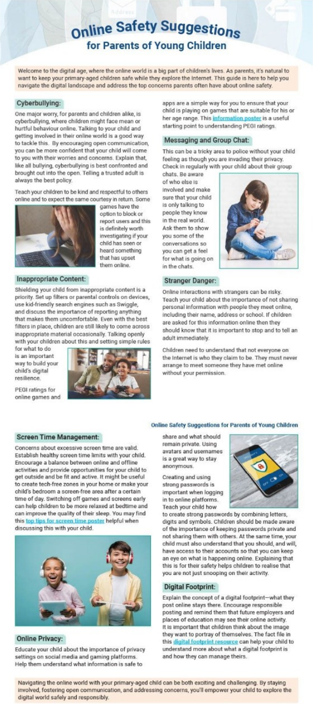
ONLINE SAFETY



Online Safety Suggestions

for Parents of Young Children

Welcome to the digital age, where the online world is a big part of children's lives. As parents, it's natural to want to keep your primary-aged children safe while they explore the Internet. This guide is here to help you navigate the digital landscape and address the top concerns parents often have about online safety.

Cyberbullying:

One major worry, for parents and children alike, is cyberbullying, where children might face mean or hurtful behaviour online. Talking to your child and getting involved in their online world is a good way to tackle this. By encouraging open communication, you can be more confident that your child will come to you with their worries and concerns. Explain that, like all bullying, cyberbullying is best confronted and brought out into the open. Telling a trusted adult is always the best policy.

Teach your children to be kind and respectful to others online and to expect the same courtesy in return. Some games have the option to block or report users and this is definitely worth investigating if your child has seen or heard something that has upset them online.

Inappropriate Content:

Shielding your child from inappropriate content is a priority. Set up filters or parental controls on devices, use kid-friendly search engines such as Swiggle, and discuss the importance of reporting anything that makes them uncomfortable. Even with the best filters in place, children are still likely to come across inappropriate material occasionally. Talking openly with your children about this and setting simple rules for what to do is an important way to build your child's digital resilience.

PEGI ratings for online games and apps are a simple way for you to ensure that your child is playing on games that are suitable for his or her age range. This information poster is a useful starting point to understanding PEGI ratings.

Messaging and Group Chat:

This can be a tricky area to police without your child feeling as though you are invading their privacy. Check in regularly with your child about their group chats. Be aware of who else is involved and make sure that your child is only talking to people they know in the real world. Ask them to show you some of the conversations so you can get a feel for what is going on in the chats.

Stranger Danger:

Online interactions with strangers can be risky. Teach your child about the importance of not sharing personal information with people they meet online, including their name, address or school. If children are asked for this information online then they should know that it is important to stop and to tell an adult immediately.

Children need to understand that not everyone on the Internet is who they claim to be. They must never arrange to meet someone they have met online without your permission.

Screen Time Management:

Concerns about excessive screen time are valid. Establish healthy screen time limits with your child. Encourage a balance between online and offline activities and provide opportunities for your child to get outside and be fit and active. It might be useful to create tech-free zones in your home or make your child's bedroom a screen-free area after a certain time of day. Switching off games and screens early can help children to be more relaxed at bedtime and can improve the quality of their sleep. You may find this top tips for screen time poster helpful when discussing this with your child.

Online Privacy:

Educate your child about the importance of privacy settings on social media and gaming platforms. Help them understand what information is safe to share and what should remain private. Using avatars and usernames is a great way to stay anonymous.

Creating and using strong passwords is important when logging in to online platforms. Teach your child how to create strong passwords by combining letters, digits and symbols. Children should be made aware of the importance of keeping passwords private and not sharing them with others. At the same time, your child must also understand that you should, and will, have access to their accounts so that you can keep an eye on what is happening online. Explaining that this is for their safety helps children to realise that you are not just snooping on their activity.

Digital Footprint:

Explain the concept of a digital footprint—what they post online stays there. Encourage responsible posting and remind them that future employers and places of education may see their online activity. It is important that children think about the image they want to portray of themselves. The fact file in this digital footprint resource can help your child to understand more about what a digital footprint is and how they can manage theirs.

Navigating the online world with your primary-aged child can be both exciting and challenging. By staying involved, fostering open communication, and addressing concerns, you'll empower your child to explore the digital world safely and responsibly.

A HUGE well done to our very own Miss Killick and Mrs Church for completing the **Isle of Wight** ultra challenge a couple weeks ago. They walked 53.5km!! Well done to them both.
