## **We talked about:**

### **1. New Names for our School Houses**

Mrs Pelazza asked us to think about new names for our school Houses in September.

We thought of a number of different categories such as saints, famous people, scientists, musicians, sports people, explorers, people who have helped others, castles, different times in history, mythical creatures, flowers, and planets.

Next steps: we are going to ask our classes to vote on which category they like best. Once we have chosen a category we will decide on the new House names.
