# The **CRANLEIGH CHRONICLE**

HEADTEACHER'S EDITION

## MESSAGES

This week has been an exciting one for our school.

We were pleased to welcome **Jeremy Hunt MP**, this morning. He was incredibly impressed by the work we're doing and will be mentioning our school in his next newsletter, which reaches over 8,000 people.

Classes visited **Cranleigh Library** for the first time this week. These visits will now take place each half-term. We also had a fantastic **Cranleigh Book Day**, with great costumes and a real buzz around books and storytelling – thank you to everyone who took part.

Looking ahead, next Friday is our *Wear Red* mufiti day for **Red Nose Day**, and we encourage everyone to join in and donate if they can. The **Scholastic Book Fair** will run from Monday to Thursday next week, offering a great selection of books for all ages. Don't forget – our **cake sale** is today after school, so please stop by and support our PTA.

Wishing you all a lovely weekend.

## This week at Cranleigh

We had a great time celebrating World Book Day, with children and staff taking part in a range of reading activities and dressing up as their favourite book characters. It was fantastic to see everyone engaged and sharing their love of reading. Thank you to everyone who took part!

## THIS WEEK AT CRANLEIGH

This week, all year groups, except Years 2 and 6 who will be visiting next week, visited **Cranleigh Library** with their new library cards. The children enjoyed exploring the books and learning more about the library. Going forward, they will be visiting once every half-term to continue developing their love of reading.

## Last week at Cranleigh

Last Friday, we wrapped up our Wildlife Week with a fantastic fair featuring stalls from St. Nicolas, the RSPCA and other organisations. It was a great opportunity for children to learn more about protecting wildlife and their community. Thank you to everyone who attended and supported the event!

# Faith

*'Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.'*

*(Ephesians 4:32)*

As we continue our journey through **Lent**, the children have been reflecting on this season of fasting, prayer, and giving. They are particularly enjoying creating a forgiveness chain at our communal reflection table, where each link represents an act of forgiveness. This is helping them to further understand the power of reconciliation.

In assembly, we've discussed how Lent encourages us to show kindness, practice forgiveness, and grow spiritually.

We encourage families to explore the story of Jesus' time in the desert and His teachings of love and forgiveness.

# Congratulations!

## Friday 21st March 2025

Next Friday, we'll be taking part in **Red Nose Day**, a national event that raises money for a range of charitable causes, both here in the UK and around the world.

Children are invited to wear mufti with an item of red clothing, all in support of this fantastic charity event.

All contributions to be made via Scopay please.

We look forward to seeing everyone in their red attire!

# How to Set up PARENTAL CONTROLS

## for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device: for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

### How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Privacy'

5 Choose the settings you wish to restrict

6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

### How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

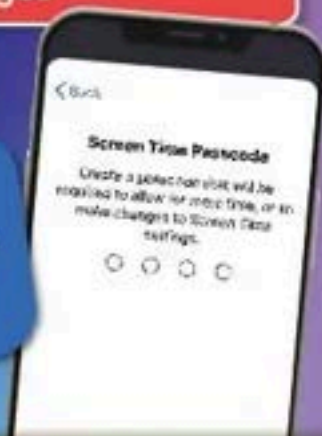

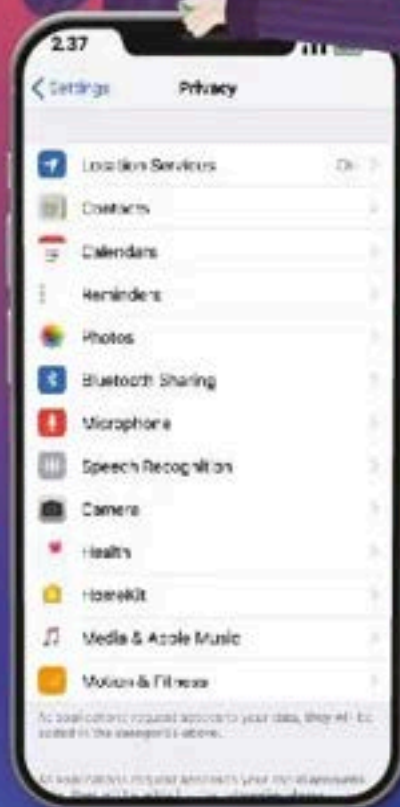

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

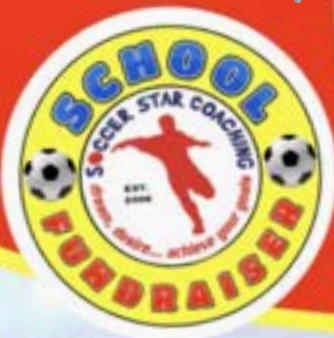

4 Scroll to 'Allow Changes'

5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes

Just 1 more week to go until the fundraising link closes!!
