The **CRANLEIGH CHRONICLE**

HEADTEACHER'S EDITION

MESSAGES

It's been an exciting week at Cranleigh. On Monday, some of our children visited Parliament, where they met our local MP, Jeremy Hunt, and learned about how government works.

We also welcomed the Police Youth Team into school at lunchtime yesterday. They spent time supporting the children, helping them feel comfortable around the police and building positive connections. We're thrilled that they'll be visiting again soon.

Additionally, we're teaming up with Cranleigh Library to encourage a love of reading. The children will be receiving their own library cards soon and will have the chance to visit the library as part of this initiative.

Have a lovely weekend.

HOLOCAUST MEMORIAL

DAY

27 JANUARY

Faith

On 27th January, we will join communities across the UK in observing Holocaust Memorial Day, a time to remember the six million Jewish lives lost during the Holocaust.

This year's theme, '**Lessons for Today**', encourages us to reflect on the importance of standing against hatred and fostering kindness and understanding in our daily lives.

As a school, we link this solemn occasion to our value of thankfulness. Remembering the past helps us to appreciate the freedoms, friendships, and opportunities we often take for granted. It is a time to be grateful for the diversity within our community and to commit to creating a future filled with respect and compassion for all.

This week at Cranleigh

On Monday, we had an exciting trip to Parliament, where we met our local MP, Jeremy Hunt. Pupils toured the Palace of Westminster, visiting the House of Lords and the House of Commons, and learned how a bill becomes law through 'parliamentary ping pong.' The learning sessions at the end of the day were so much fun, reinforcing everything the children had learnt throughout the day.

5 tips to keep kids safe on WhatsApp

- 1 Review privacy settings** WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.
- 2 Customise contacts** Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.
- 3 Talk about personal information** Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.
- 4 Show them where to get support** If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.
- 5 Check in regularly** Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.
